FEEDBACK FROM STUDENTS on Curriculum

After students' feedback on Curriculum, most of the students felt happy about the curriculum for developing skill, employability and entrepreneurship. Majority of them agreed that there is a wide scope for research in the course. Maximum number of the students are satisfied the teaching with methodology. The major of the student are happy with the library and lab facilities. A few of the students felt that there is a need to improve the financial assistance to the poor students. For that, scholarships will be given to the students from economically weaker families. All unanimously voiced that they are being encouraged to participate in sports and cultural activities.
