FEEDBACK FROM STUDENTS on Curriculum

After students feedback on Curriculum, most of the students felt happy about the curriculum for developing skill, employability and entrepreneurship. Majority of them agreed that there is an excellent scope for research in the course. Maximum of the students are satisfied the teaching methodology. A major portion of the student are happy regarding the library and lab facilities. Few of the students felt that there is a need to improve the financial assistance to poor students. For that, scholarships will be provided to the students from economically weaker families. Almost all the people agreed that they are being encouraged to participate in sports and cultural activities.
