Awareness of Trends in Technology – Events Organized/Attended

AS a part of Awareness of Trends in Technology several workshops and seminars were conducted for students.

NIEPA FDP PROGRAMME FROM MAY 1st -6th 2023

REPORT

Name of the Activity:	Faculty Development Programme
Place:	Andhra Loyola College
Date & Time:	1.05.2023- 6.05.2023 9.30-5.15PM
No.of Students Participated	72
Level: (College/ Univ/State/ Natl/ Intl)	National Level
Details of the Activity :	
<p>Learn, Unlearn and Relearn to make the teaching fraternity acquit with Blended Learning system, the Management of Andhra Loyola College registered around 72 staff members under NIEPA Faculty Development Programme on Design, Develop and Deliver Online/Blended Learning Courses conducted from 1st May to 6th May 2023.</p> <p>The staff members from various disciplines actively participated and learnt to recalibrate the education system with the Learning Management System. Fostering inclusion and awareness among the educators on the various online learning and teaching platforms such as OER, KOER, MERLOT to make them tech-savvy. To meet the needs of the Synchronous and Asynchronous learners the educators were trained on the various Online tools and resources.</p>	

LEARNING OUTCOME:

- The teacher gets strengthen on the database and management system on education in India.
- Uses various research fields and disseminate the information through variety of online sources to the learners.
- Familiarize with the Learning Management Systems and its uses.
- Foster collaborative learning among the learners.
- Design, Develop and Deliver courses for learners by making it more engaging, encouraging, interesting and challenging.
- Creates a positive perspective on Blended learning among the teachers and learners.

- Integrates technology in classroom teaching and learning.
- Expands student's learning experiences through additional online resources.

Total 79 faculty members participated in the faculty development program

Student Seminars/Workshops Organized 2022-2023

*The Department of Electronics in association with Sri Ch. Praveen, Firm Engineer, Effective Farming Advisers Pvt. Ltd., Vijayawada, organized a **Hands-on Training Programme and workshop on “IR Remote Control Circuit Making” and PCB Making** for its II Year students from 19th to 23rd September 2022.

*As part of the Electronics Department Incubation, 3rd and 2nd year students are making LED display boards and 9W LED bulbs that are cheaper and of better quality than the LED bulbs available in the market. LED screens are designed to make the information accessible to all students according to the needs, which allows the user to change the information from time to time without the help of wires, using the mobile without the help of a computer. Such screens are now widely used to make information available to the public in public areas.

*The Department of Electronics involved in Making of 2-LED Screens in the month of June 2022 with the help of Management and operating those displays in Andhra Loyola College Campus, students of Electronics Department also participated in this.

*The Department of Electronics in association with Society for Learning Technologies organised a three-day International Conference on "**Emerging Trends in Science, Engineering and Technology (ICESET-2023)**" from 20th to 22nd February 2023.

*The Department of Electronics involved in Making of 2-LED Screens in the month of June 2022 with the help of Management and operating those displays in Andhra Loyola College Campus, students of Electronics Department also participated in this.

*The Department of Computer Science organized a One-Day International webinar on "**Data Science For Career Opportunities**" on 26.10.2022.

*The Department of Computer Science organized a One-Day Annual Techno Meet "**SCINTIA 2K23**" on 24.02.2023.

2021-22:

*The Department of Physics in collaboration with Indian Association of Physics Teachers organized a **National Seminar** on "Recent Trends in Multi functional Materials and Applications" on 25th & 26th February 2022.

*The Department of Electronics organized a **National Level Conference** on Advancements in Communication, Computing and Internet of Things (NCACIOT 2022) from 27th to 29th January 2022.

*The Department of Electronics organized a Webinar on "Research & Research Tools in present-day Technologies" on 17th July 2021.

*The Department of Visual Communication and Electronic Media in collaboration with the Department of Digital Sciences, Karunya University, Coimbatore, organized a Webinar on Writing for Media on 21st December 2021.

*The Department of Visual Communication and Electronic Media organized a Webinar on “Media and Culture” on 17th November 2021.

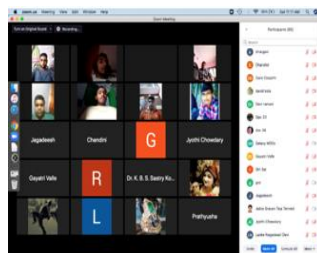

*The Department of Library and Information Science organized a Webinar on "Swayam-online Courses: Awareness programme" with Dr.K.Uma Mahesh Yadav, Librarian, MVGR College of Engineering, Vizianagaram, as the Resource Person, on 15-11-2021. As part of the webinar, G.K & Aptitude test was conducted on 16-11-2021 and SUDOKU: A Puzzle game was conducted on 17-11-2021 for PG students. 100 students participated in the competitions.

2020-21:

*The Department of Computer Science in association with Codegnan, IT Solutions, organized a National Faculty Development Programme (FDP) on *Significance of Online Learning Tools Post Covid-19* on 12th and 13th June 2020.

*The Department of Computer Science in collaboration with Mentor Together, an NGO focused on Mentorship, organized a Webinar on *Career Planning in Information Technology Sector and Prospect* on 12.03.2021

*The Department of Computer Science organized a National Webinar on *Cyber Security* on 06/06/2020.

*The Department of Computer Science in collaboration with ICT Academy, Tamilnadu, organized a Virtual Power Seminar on *Employability Skills for the Future* on 27.06.2020

*The Department of Computer Science organized a National Webinar on *Innovation in Engineering Fields and Ethical Hackington* 16.07.2020.

*The Department of Computer Science in collaboration with ICT Academy, Tamilnadu, organized a Virtual Power Seminar on *Career Opportunities in Future* on 24.07.2020

*The Department of Electronics in association with RamsonTechlabs, Vijayawada, organized a National Webinar on *Internet of Things Applications* on 12.07.2020

*The Department of Electronics organized a National Webinar on *Fundamentals of VLSI Design* on 20.09.2020.

*The Department of MCA organized a Webinar on *Oracle Database & Cloud Infrastructure* with Mr.P.Praveen Kumar, Sr.Consultant, Oracle, as the Resource Person, on 10.07.2020.

*The Department of MCA organized a Webinar on *Veritas NetBackup Administration Fundamentals* with Mr. John Wilson, Authorized Officer, Union Bank of Switzerland, as the Resource Person, on 13.07.2020

*The Department of MCA organized a Webinar on *Devops & Angular Framework Basics and Career Opportunities* with Mr.G.KranthiKiran, Sr. Software Engineer, S&P Global, Hyderabad, as the Resource Person, on 18.07.2020.

*The Department of Visual Communication organized a Training-cum-Workshop on *Theater Arts* from 15th to 17th February 2021.

*The Department of Visual communication organized a Webinar on *Audio Techniques: Studio Tour* on 18.07.2020.

*The Department of Visual Communication organized a Webinar on Innovative Techniques in Camera Operations with Resource Persons drawn from Visual Technologies Pvt. Ltd. Delhi and Hyderabad, on 11.07.2020

2019-20:

The Department of Computer Science organized a Guest Lecture on “Big Data Analytics and Business Priorities And Decisions” on 22nd August 2019

*The Department of Computer Science organized a Guest Lecture on “Career Opportunities and Our Experience” on 22nd November 2019

*The Department of Electronics organized a Career Orientation Talk on “Opportunities in Higher Education and Employment in Public and Private Sectors” on 8th July 2019.

*The Department of Electronics organized a Talk on “Career Guidance” on 17th August 2019

*The Department of MCA organized a Guest Lecture on “Cloud Computing and it’s Services” on 22nd June 2019

*The Department of MCA organized a two-day workshop on “Big Data - Hadoop” on 24th and 25th July 2019 for its final year students.

*The Department of Computer Science, in collaboration with ICT Academy, Chennai, organized a week-long workshop on ADX-201 Workshop from 2nd to 7th December 2019

*The Department of MCA conducted a workshop on “Android” on 20th December 2019

*The Department of MCA conducted a workshop on IOT on 21st December 2019

2018-19:

The Department of Computer Science organized a workshop on ‘Digital Marketing’ on 11th and 12th August 2018.

*The Department of Electronics conducted a workshop on “Soldering Techniques” for about 60 first-year students of Electronics Technology Course from 28th August to 14th September 2018. The students were introduced to different soldering tools and were trained in making soldering on PCBs.

*The Department of Electronics, in association with Teck Team Solutions Visakhapatnam, conducted a Workshop on Basic Electronics for the students of I B.Sc. Electronics Course from 3rd to 6th December 2018.

*The Department of Electronics, in association with the Dept. of ECE, ALIET, Vijayawada, organized a two-day Workshop on “The Role of Transducers Programmable Devices in IoT Applications” for III B.Sc. Electronics Students on 4th and 5th December 2018.

*The Dept. of MCA organized a Two Day Workshop on Android App on 20th and 21st July

2018

*The Department of Computer Science organized a Seminar-cum-Workshop on Bitcoin, Block Chain and Cryptography” for its students of both the UG and PG Courses on 23rd January 2019

**The Department of Computer Science organized a two-day Workshop on “Computer Hardware and Networking” on 26th and 27th January 2019.

**The Department of Computer Science organized a one day Workshop on “Computer Hardware and Networking” for its final year students on 7th February 2019.
