**Resolutions**

1. It is resolved to add the concepts- *Measures of Central Tendency and Measures of Dispersion, Boole's inequalities, transformation of one-dimensional random variable, probability generating function (pgf), cumulant generating function (cgf)* in the paper-1: Descriptive Statistics and Theory of Probability for the academic year 2020-2021 of Semesters I. With this the percentage of change in syllabus is around 30%.
2. It is resolved to retain the existing syllabi for the academic year 2020-2021 of Semesters III, and V.
3. It is resolved to retain the existing syllabus for the academic year 2020-2021 of BBA Semester- I.
4. It is resolved to introduce Probability Distributions for B. Sc.(Big Data analytics, Mathematics and Statistics), B. Sc. (Artificial Intelligence, Mathematics and Statistics) in Semester-III

**BOS RESOLUTIONS OF ODD SEMESTERS OF 2020-21 (20-6-20)**

The Board of Studies of the Department of Physics was held on June 20<sup>th</sup>, 2020 by 10 AM through Zoom and the following resolutions are adopted after through discussions

**RESOLUTIONS FOR THE I SEMESTER**

1) It is resolved to introduce a course named Mechanics and Waves - Oscillations for the I Semester for as per the norms of Restructured CBCS proposed by APSHCE. Hence there is a 100% change in the I semester syllabus for the Physics.

2) It is resolved to introduce 6 experiments in the Lab course for I B.Scas per the norms of Restructured CBCS proposed by APSHCE.

**RESOLUTIONS FOR THE III SEMESTER**

It is resolved to continue with the same syllabus for the course optics in the Third semester.

It is resolved to continue with the same experiments for the Lab course for optics in the Third semester.

**RESOLUTIONS FOR THE V SEMESTER**

It is resolved to update the syllabus of Atomic, Molecular and Nuclear Physics, with the addition of following Topics from the academic year 2020-2021. It lead to modify the syllabus by 10%

**Unit – 1 b) Molecular Physics** : Distinction between Rayleigh scattering and Raman scattering .

**Unit-IV: Nuclear Physics** : Basic Properties of Nucleus : Properties of nuclear forces , Decay of Nucleus : Pair annihilation

It is resolved to update the syllabus of the course Electricity, Magnetism & Electronics ( Paper -V ) with the following from the academic year 2020-202. It lead to modify the syllabus by 15%.

Unit 2(a) is renamed as A.C circuits

Unit 4(a) is divided into two parts containing diodes in first part and BJT in the second part)

Unit 5 Digital Electronics is removed and it has been shifted to Paper 7 and Unit 1 in Paper 7 removed and added as Unit 5(b) in this Paper. This is to maintain some sequential order in learning Analog and Digital Electronics.

**RESOLUTION FOR II SEMESTER**

It is resolved to introduce the course Wave optics for the II semester for the I B.SC. students in the second semester as per the Restructured CBCS framed by APSCHE with the following syllabus. 100% change in the syllabus for second semester,

A skill development course named " Solar Energy" is introduced in the Second semester.

**RESOLUTION FOR IV SEMESTER**

It is resolved to continue with the same syllabus for Thermodynamics in the III Semester.

It is resolved to continue with the same lab course for Thermodynamics in the III Semester.

**RESOLUTION FOR VI SEMESTER**

It is resolved to change the syllabus in the course named Analog and Digital Electronics by 20%.

It is resolved to continue with the same syllabus for Cluster course 1 (Introduction to Microprocessors and Microcontrollers) and Cluster 3 ( Electronic Instrumentation

It is resolved to introduce a new Course for Cluster 2 named Material Science in place of Computational Physics.

It is resolved to introduce a new Lab Course for Cluster 2 (Material Science).

- The BOS started at 3.00PM, with the formal welcome by the HOD, Botany
- In her welcome address the HOD, Botany told the members about the agenda of the meeting and explained various aspects related to the structure of the B.Sc Botany programme
- She sought the permission of the members to present the syllabi of the courses related to III & IV semesters.
- Then the University Nominee, Dr.I.Suseela suggested to follow the syllabus proposed by APSCHE .
- After that, the HOD started presenting the syllabi.
- First, she presented the syllabus for the Course III – Anatomy and Embryology of Angiosperms, Plant Ecology and Biodiversity (Semester III), followed by Course IV -Plant Physiology and Metabolism and Course V – Cell Biology, Genetics and Plant Breeding (Semester IV) which are related to II year B.Sc. Botany programme structure.
- The presentation was keenly watched by the members of the Board especially by the nominees from the University, Govt. College and Dr.K.Sri Rama Murthy, nominee from industry.They interacted enthusiastically and finally the Syllabi prescribed for III & IV semesters were ratified by the Board.
- HOD presented the syllabi related to SDC. Viz., Plant Nursery (Semester 1) and Fruit and Vegetable Preservation (Semester II).
- After that, the HOD presented the syllabus of certificate course "Mushroom Cultivation" offered by the Department of Botany.
- It was decided to continue the existing syllabus for V and VI Semesters.
- After that the HOD presented the practical syllabi which are to be introduced for Semesters I and III. It is also decided to go with the previous experiments for V and VI Semester.
- Thus, the BOS meeting for the Department of Botany of ALC ratified the Syllabi related to Core papers (Semesters I, II, III and IV), Skill Development Courses, Certificate Courses and Practicals for all semesters and accepted.
- The BOS meeting is ended with the formal vote of thanks by Dr. T. Rose Mary
