ACADEMIC YEAR (2021 – 2022)

DEPARTMENT OF BOTANY

**Minutes of the meeting of Board of
Studies in Botany held on 07.06.2021 at
3.00 PM through Google Meet App.**

- The BOS started at 3.00PM, with the formal welcome by the HOD, Botany
- In her welcome address the HOD, Botany told the members about the agenda of the meeting and explained various aspects related to the structure of the B.Sc Botany programme
- She sought the permission of the members to present the syllabi of the courses related to III & IV semesters.
- Then the University Nominee, Dr.I.Suseela suggested to follow the syllabus proposed by APSCHE .
- After that, the HOD started presenting the syllabi.
- First, she presented the syllabus for the Course III – Anatomy and Embryology of Angiosperms, Plant Ecology and Biodiversity (Semester III), followed by Course IV -Plant Physiology and Metabolism and Course V – Cell Biology, Genetics and Plant Breeding (Semester IV) which are related to II year B.Sc. Botany programme structure.
- The presentation was keenly watched by the members of the Board especially by the nominees from the University, Govt. College and Dr.K.Sri Rama Murthy, nominee from industry. They interacted enthusiastically and finally the Syllabi prescribed for III & IV semesters were ratified by the Board.
- HOD presented the syllabi related to SDC. Viz., Plant Nursery (Semester I) and Fruit and Vegetable Preservation (Semester II).
- After that, the HOD presented the syllabus of certificate course "Mushroom Cultivation" offered by the Department of Botany.
- It was decided to continue the existing syllabus for V and VI Semesters.
- After that the HOD presented the practical syllabi which are to be introduced for Semesters I and III. It is also decided to go with the previous experiments for V and VI Semester.
- Thus, the BOS meeting for the Department of Botany of ALC ratified the Syllabi related to Core papers (Semesters I, II, III and IV), Skill Development Courses, Certificate Courses and Practicals for all semesters and accepted.
- The BOS meeting is ended with the formal vote of thanks by Dr. T. Rose Mary

After completing the deliberations, it has been resolved by all the members of BOS meeting to follow the course structure and paper titles as per the revised CBCS framework and guidelines.

1. It has been resolved to follow the following core papers
 - a) Semester-III- Paper-III: Cell Biology, Genetics, Molecular biology and Evolution.
 - b) Semester-IV-Paper-IV: Animal Physiology, Cellular metabolism and Embryology
 - c) Semester-IV-Paper-V: Immunology and Animal Biotechnology
2. It has been resolved to introduce the following SDC, LSC and Certificate courses.
 - a) Semester-II -SDC- Dairy Techniques.
 - b) Semester-III-SDC-Poultry Farming.
 - c) Semester-III- LSC- Health and Hygiene.
 - d) Medical Lab Technology
 - e) Vermitechnology.
3. It has been resolved to make the following changes in the following papers.
 - a) To add the topic Mendel's laws of Inheritance in the Unit-II of Paper III.
 - b) To change the titles of Unit -III and Unit IV of Paper-V as
Animal Biotechnology-I and Animal Biotechnology-II respectively.
 - c) To bring the Hybridoma technology topic from Unit-III to unit- II (PaperV)
 - d) To delete the topics MHC and Exogenous and Endogenous pathways
in unit-I of Paper V.

BOARD OF STUDIES 2021-2022 (Even Semesters)

The Board of Studies (BoS) of the Department of Visual Communication and Electronic media was held on the 8th of January 2022 at 10 am in the department of visual communication and Electronic Media. The new APSICHE guidelines for the program structure are following for 2,4 & 6 semesters.

RESOLUTIONS:

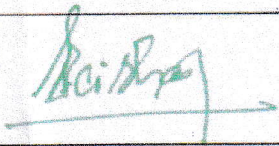

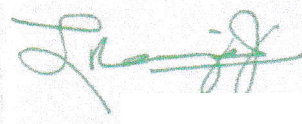

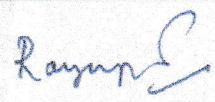

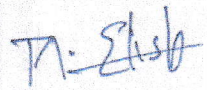

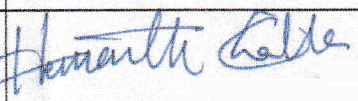

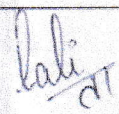

The following are the resolutions passed unanimously by the Board of Studies:

1. It is resolved to restructure the entire course on “Digital Video Editing,” a practical paper, keeping in mind the new innovations in the field of digital video editing. This course is in the 2nd Semester for the batch of 2021-2024
2. It is resolved to remove a certificate course titled “Folk arts of Andhra Pradesh” which falls in the 2nd Semester for the batch of 2021-2024.
3. It is resolved to convert the course titled “Public Speaking and Presentation” into Life Skill Course in the 2nd Semester for the batch of 2021-2024.
4. It is resolved to add a few relevant topics to the course on “Management of Electronic media” in the 4th Semester and delete some irrelevant topics from the syllabus for the batch of 2020-2023.
5. It is resolved to remove a practical paper of the 4th Semester titled “Introduction Digital Marketing” for the batch of 2020-2023 as the content is repeated in a paper “Integrated Digital Marketing” in the 5th semester.
6. It is resolved to change the title of “Social media and Public Relation” in IV semester as “Social Media and Online Journalism” for the batch of 2020-2023.
7. It was resolved to introduce final project and internship in the 6th semester for 2019-2022 batch.

RESOLUTIONS

The Board of studies meeting for the Department of Agriculture and Rural Development, was held on 08.01.22 through Online of Andhra Loyola College during the year 2021-22

- I. **It is resolved to continue the following the same syllabus for semester II**

- II. **It is resolved to introduce the following papers for semester- IV as follows:**
 1. Crop Production Technology - II (Oilseeds, Fibre, Sugar, Tobacco and Fodder crops)
 2. Irrigation water management, farming systems and sustainable agriculture
 3. Agriculture Marketing, Trade, Prices
 4. Manures, Fertilizers and Soil Fertility Management
 5. Production Technology for Ornamental Crops, Medicinal and Aromatic Plants and Landscaping
 6. Entrepreneurship Development and Business Communication
 7. Renewable energy and Green Technology
 8. Live-stock and Poultry Management
 9. Statistical Methods
 10. Rural Development Planning and Management

- III. **It is resolved to continue the syllabus based on ICAR (Indian council of agriculture research) followed by Vth dean's committee**

The meeting of the board of studies for even semesters (II and IV) was held on 19th January 2021 via google meet. Meeting link : <https://meet.google.com/usf-vxqx-ckc>

(2021-22)
Minutes

The following persons were present in the meeting.

Members:

1. Fr.G.M. Victor Emmanuel, SJ, Principal
2. Fr.S. Raju, SJ, Vice Principal (PG)

University Nominee:

3. Prof.V. Venkatramu

Subject Experts:

4. Dr.G. Srinivasa Rao
5. Sri. P. Srinivasa Sastry
6. Dr.Ch. Srinivasa Rao

Faculty :

7. Dr.B. Johnson, Chairperson, BoS
8. Ms.K. Seshulatha
9. Ms. Gunjan Mahajan
10. Ms.K. Kalyani

At the onset, the chairman welcomed the members of the board of studies and introduced external BoS Member to the board and further internal members introduced themselves.

The resolutions of the even semesters of the previous board of studies held on 12 February 2020 were presented by the chairperson

- ✓ Prof. V. Venkatramu suggested to include rotating crystal method to the course III, 'Solid State Physics' of II semester.
- ✓ Prof. V. Venkatramu proposed to add Nd:YAG laser and Dye Laser by replacing Ruby Laser and He-Ne Laser in unit III of course III of semester II as these are being taught at the UG level.
- ✓ Prof. V. Venkatramu suggested to make alpha decay more specific by giving Gamow's theory of alpha decay instead of alpha decay and compound nucleus as Bohr's theory of compound nucleus in course II, 'Nuclear Physics' of semester III.
- ✓ The inclusion of properties of Higgs boson in Unit II and specification of Linear accelerator as Drift tube accelerators, Cyclic as cyclotron, betatron and synchrotron accelerators-electron and proton and deletion of synchrocyclotron in unit IV of course II,

'Particle Physics' of semester IV is suggested by Prof. V. Venkatramu. He also suggested to add wave guide accelerator in Linear Accelerators and Microtron in Cyclic accelerators in the same unit.

- ✓ Prof. V. Venkatramu suggested to add the characterization techniques SEM, TEM in either in Analytical Techniques or Advances in material science of semester IV as they are present in both the papers
- ✓ Prof. V. Venkatramu recommended to add Applications of ESR and Quadrupole interactions and applications in Analytical Techniques of semester IV.
- ✓ The Board accepted the suggestion of Mrs. K. SeshuLatha to replace condensed matter physics -II(practical course) in semester IV with Nuclear and Particle Physics (Practical course)
- ✓ The Board accepted to change the titles of Nuclear Physics in Semester III and Particle Physics in Semester IV as Nuclear and Particle Physics I & Nuclear and Particle Physics II respectively.
- Prof. V. Venkatramu suggested to change the title of Course-II: Advanced quantum Mechanics of Semester-II to Quantum Mechanics -II
- Prof. Venkatramu suggested to merge Unit-2 and Unit-3 in Course-IV: Electromagnetic theory, lasers and Modern optics and advised to split Unit-1 into two units by adding some more topics (Ch. 9. Electromagnetic radiation of Electromagnetics by BB Laud, Wiley Eastern Ltd.).
- Prof. Venkatramu and Dr. G. Srinivasa Rao suggested to include one or two virtual lab experiments in every practical course of all the semesters. And they recommended to review few experiments in the practical courses which were already done at the graduation level
- Prof.V. Venkatramu suggested to add Sol gel method and Chemical Vapor Deposition Method in Synthesis of Nano materials (Unit-4) in Course-III: Advances in Materials science of Semester-IV and Dr.Ch. Srinivasa Rao suggested to delete any other methods if necessary.
- Prof.V. Venkatramu recommended to give hands on experience in Skill based course Analytical Techniques in Semester-IV
- Prof. V. Venkatramu and Dr. G. Srinivasa Rao recommended for MAT lab instead of C- Programming as skill based course in Semester-IV
- Dr. G. Srinivasa Rao suggested to include C- programs that are relevant to Physics.
- Dr.G. Srinivasa Rao recommended to have a review on the Programme - Objectives and outcomes and also on the Courses - Objectives and outcomes.

- In his general remarks Prof. V. Venkatramu mentioned that the overall subject content is good enough and suggested to follow the Krishna University norms with regard to the distribution of marks between Internal and external examinations and/or credits.
The meeting was concluded with Vote of thanks by the chairperson.

Resolutions of the Board of Studies for even semesters (II and IV) held on 19th Jan 2021

SEMESTER II

1. It is resolved to add rotating crystal method in unit II of course III (**Solid State Physics**).
2. It is resolved to split unit I (electromagnetic theory) into two separate units as Electromagnetic Waves and Electromagnetic Radiation in course-IV (**Electromagnetic Theory, Lasers & Modern Optics**).
 - (a) It is resolved to add Linear Antenna, Potentials for a Charge in Uniform Motion-Lorentz Formula, Fields of an Accelerated Charge, Radiation from an Accelerated Charged Particle at Low Velocity-Larmor Formula under Electromagnetic radiation
 - (b) It is resolved to merge Unit-II (Principles of lasers) and Unit-III (Lasers and optical processes as unit III) into a single unit as Lasers and Optical processes
3. It is resolved to add Nd:YAG laser and Dye laser in place of Ruby laser and He-Ne laser in Unit III of course IV (**Electromagnetic Theory, Lasers & Modern Optics**).

SEMESTER IV

4. It is resolved to add the properties of Higgs boson in unit II of course-II (**Nuclear and Particle Physics-II**)
5. It is resolved to add wave guide accelerator, drift tube accelerator, Microtron in unit IV of course II (**Nuclear and Particle Physics-II**)
6. It is resolved to add Sol-gel and chemical vapour deposition methods in Unit IV of course III (**Advances in materials science**) by deleting condensed phase synthesis.
7. It is resolved to add applications of ESR in unit II and Quadrupole interactions, applications of Mossbauer Spectroscopy in Unit V of course IV (**Analytical Techniques**)
8. It is resolved to replace condensed matter physics – II (practical course) with nuclear and particle physics course.

1. It is resolved to continue with the existing syllabi for the second semester.
2. It is resolved to reorganize unit-3 titled NMR Spectroscopy-1 and unit-4 titled NMR and ESR spectroscopy of General Chemistry core paper
3. It is resolved to replace unit-5 titled Green Chemistry of Organic Chemistry core paper with protecting groups
4. It is resolved to reshuffle the named reactions from part A to part B of unit-3 titled Named reactions of Organic Chemistry core paper

FOURTH SEMESTER RESOLUTIONS

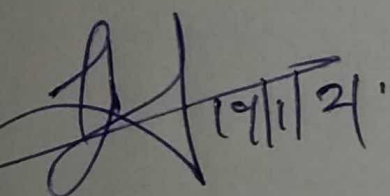

The following resolutions were passed unanimously

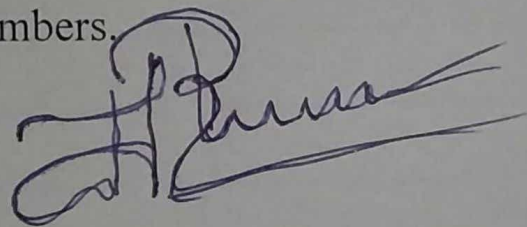

1. It is resolved to continue with the existing syllabi for the fourth semester.
2. It is resolved to replace core paper titled Molecular rearrangements, Pericyclic Reactions and Photochemistry with Organic reagents and Heterocyclic Chemistry.
3. It is resolved to replace core paper titled Organic reagents and Heterocyclic Chemistry with Organometallic Chemistry, Natural Product and Antibiotics
4. It is resolved to replace skill based subject elective paper-I titled Advanced Organic Spectroscopy with Organic Spectroscopy-2
5. It is resolved to replace skill based subject elective paper-I titled Green Chemistry with Nanochemistry-2
6. It is resolved to replace skill based subject elective paper-II titled Natural products and Antibiotics with Green Chemistry
7. It is resolved to replace skill based subject elective paper-II titled Nanochemistry-2 with
