Respected sir/ ma'am

I'm writing this mail to enquire about three aspects. Firstly, the Logistics 2019-20 batch students' Final Placement process & its update. Then the Logistics 2020-21 batch students' relieving date from the apprenticeship because these students need to attend the Regular classes which will commence from 18th July 2022. And finally the E-commerce operations 2020-21 batch students' apprenticeship interview update.

We are getting continuous calls and enquiries from the students as well as their parents regarding these aspects. I would be grateful if you could give us some information about the same.

Kindly do the needful
