1. A candidate may also apply for revaluation of any paper in any subject within 10 days of the display of mark-lists.
2. The criteria for evaluation are as follows:
  - a. The student may be given advantage only when the difference of marks between the first valuation and the second one is within the range of 5- 10%. In such a case, the student is eligible for a refund of 50% of the revaluation fee.
  - b. If the difference is less than 5%, the student concerned will not be given any advantage.
